Education

- Architect
Universidad Central De Venezuela - Caracas 2005-2011
The core subject of the program is Design. The curriculum includes courses from various fields of knowledge, such as Technology, Urban Studies, Architectural History and Criticism, Environmental Conditioning, Methods, and Design. This comprehensive approach aims to develop well-rounded professionals with strong technical, creative, managerial, communication, and ethical-environmental skills.

Experience

- Executive Assistant
Atlas Bank Panamá, S.A. 2022 - Present
I have provided direct support to senior leaders, managing tasks with discretion, overseeing support staff, and ensuring effective collaboration in the implementation of processes and policies.
- Architect
Arval Developers, S.A. Panamá 2016 - 2020
I worked as an architect and interior designer on various residential buildings throughout different project phases. I coordinated with clients and contractors during the bidding, construction, and delivery processes. Project supervision ensured compliance with the approved construction plans. In addition to designing spaces, I created custom furniture, working closely with the project team.
- Interior Designer, Jr.
Mallol Arquitectos, Panamá, Panamá 2014- 2016
I worked as a Junior Drafter and Interior Designer, covering the conceptual, schematic, and design development phases. I transformed uninspiring spaces into warm, functional areas tailored to the client's needs by integrating carefully selected lighting elements, materials, colors, and products.
